In steel tanks with fermentation temperature control, daily soft pumping over. Maceration on the skins for 25 days

First year of production

1966

CANALICCHIO DI SOPRA®

MONTALCINO

the Cru Canalicchio and a "galestro" soil high with a very high mineral component, loamy texture with a high presence of silt, characteristic of the Cru Montosoli.

The blend favors wines of great minerality and sapidity, supported by excellent acidity ideal for long aging.
