Winemaker Notes

PURITY OF FRUIT:
The 2019 "Canalicchio di Sopra" Rosso di Montalcino DOC celebrates the intensity of a generous vintage in a more immediate and enjoyable version. 2019 was a year of great maturation where the balance of the grapes was guaranteed by steady and balanced weather conditions thus creating the requirements for a great maturation. The purity of the fruit expresses itself in a pronounced and bold way with a surprising youthfulness reminiscent of the vinosity and concentration of the vintage. The youngest vineyards used for this Rosso di Montalcino along with a small selection from the oldest vineyards guaranteed all the exuberance of this vintage, which, together with the freshness and well-balanced acidity, make for a greatly pleasant union.
