Winemaker Notes

VIBRANT FRESHNESS
The Rosso di Montalcino Doc 2020 "Canalicchio di Sopra" is the freshest and most vibrant version of our Sangiovese in a year of extreme depth and vibration. The 2020 vintage was characterized by the achievement of excellent technological maturation that enhanced the floreality of our Sangiovese, guaranteeing the wines excellent acidity to support the structure. In this context, the Rosso di Montalcino in this vintage is expressed in all its vivacity, freshness and aromatic complexity with a great balsamic impact. In the mouth, the wine is deeply stretched with sweetness contrasted with good salinity: characteristics that make the Rosso di Montalcino Doc 2020 “Canalicchio di Sopra” a wine of great “gastronomy”, capable of accompanying food in a very versatile way.
