96/100

The 2018 Brunello di Montalcino from Canalicchio di Sopra boasts great aromatics of wild rose, new leather forest floor and perfumed berry that align with whiffs of spice. It's savory and loaded with finesse, featuring juicy red cherry, botanical herb, white pepper and iron mineral notes framed in taut, lithe tannins. Blending grapes from their Montosoli and Canalicchio vineyards created an ideal, natural balance. Drink through 2038.
