

CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
2019

Decanter

95_{/100}

After excellent showings from the 2018 vintage, Canalicchio di Sopra follows up with an impressive trio of 2019s. There is also a highly promising Riserva waiting in the wings... In the meantime, the current releases kick off with the estate Brunello, which is assembled from vines that are at least a decade old. It's a model of freshness and energy, backed by substance and staying power. Aromas of mint, lavender and tobacco lead to a radiant core of warm stone and red currants. The tannins are direct and linear, giving a firm grip to the dense fruit. Bitter citrus to finish. Drinking Window: 2025 - 2037
