

CANALICCHIO DI SOPRA

BRUNELLO DI MONTALCINO
2021

JEB DUNNUCK

96/100

The 2021 Brunello di Montalcino shows the precision and balance that make this vintage so compelling. The nose has notes of cherry cordial, anise, roses, thyme, brushy herbs, and warm spice. Medium-bodied, it stays weightless on the palate, with ripe tannins, bright acidity, and a long finish that turns slightly savory with black tea. It's a fabulous Brunello that will only improve over the next decade. Drink 2026-2046.
