

CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
RISERVA

2016

Robert Parker
WINE ADVOCATE

97+/100

Canalicchio di Sopra is faithful to the concept of Riserva, and there is always a marked, but proportional, stylistic difference between this wine (which is aged for 36 months in Slavonian casks) and the annata release. This is exact how it should be. Riserva is an extension of annata, not an exaggeration of it. From a classic vintage, the 2016 Brunello di Montalcino Riserva is a special and highly collectible bottle. It shows depth and profound fruit with bright cherry, plum and crushed flower. It also manages greater concentration and density while maintaining its graceful personality. You'll need to add quite a few years of age to this wine. Production is a mere 4,133 bottles.
