

CANALICCHIO DI SOPRA®

ROSSO DI MONTALCINO
2021

JEB DUNNUCK

92/100

Revealing slightly higher-toned fruit on the nose, the 2021 Rosso Di Montalcino opens to bright notes of candied cranberries, orange peels, and thyme. Medium-bodied, it has more tension and a linear feel, with a good deal of zesty grip and a salty finish. With more tension compared to 2022, it's another rather noble wine to enjoy over the next 10 years. Drink 2024 – 2034.
