

CANALICCHIO DI SOPRA

ROSSO DI MONTALCINO
2023

JEB DUNNUCK

91/100

The 2023 Rosso di Montalcino pours a medium garnet hue and offers a more serious than most wines in this category. The aromatics lean toward savory and detailed, with incense, orange rind, dried flowers, and currants. Medium-bodied, it carries ripe tannins and balanced acidity, finishing clean and tapered. Drink 2026-2033.
