CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2017

WINE ALIGN

96/100

This is where all the recent hard work put by Francesco Ripaccioli and team really comes to light and fruition. La Casaccia is northerly-ish but certainly not Montosoli and yet the aromatic profile of this Vigna-designate Brunello is laced with cool nuance and found to be full of fine finesse. As per the Canalicchio di Sopra idiom there is plenty of wood casking through the bones of the wine and yet one can feel the highest quality of those large vessels gifting a select strength leading to the chic style, surely to be followed by one and the half decades of aging. All what needs, what is and must be for La Casaccia. Drink 2023-2030. Tasted November 2021.
