BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2020

WINE ALIGN

96/100

There is always something shared in common between the two single vineyards that is mitigated by the vintage from year to year – but Montosoli and Casaccia are very different wines. Here for the estate located block the extraction was lower, as was the maceration, to avoid any bitters or green possibilities. “Something was not perfectly mature” figures Francesco Ripaccioli. All that said there is more opulence, concentration and seduction from Casaccia but it plays a bit hard to get and to figure out. Take the time and stay with this Vigna because you need to be sure what kind of wine you are dealing with. A long relationship is necessary and time will tell what will be. Drink 2027-2036.
