96_{/100}

The 2021 Brunello di Montalcino Vigna La Casaccia is exotic in the glass, with a spice-box bouquet that combines cedar dust, spiced orange peels, dried strawberries and hints of mint. It's surprisingly energetic and fleshy, with a solid core of ripe wild berry fruits underscored by tactile mineral tones. Tantalizing acidity imparts further liveliness. It firms up through the finish, leaving steely minerality to meet a tart blackberry twang and nuanced tannins. The 2021 is youthfully compact and geared for the cellar. Drinking window: 2028 – 2044.
