CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

**2021**

WINE ALIGN

**97/100**

You might want to think about what a single vineyard of cru Brunello means to you before tasting a sangiovese like Vigna La Casaccia. Why? Because, this may not be what you expected, a serious wine without heft or the type of concentration you may think fulfills that definition. Instead there is freshness and restraint, of sweet clay and more alcohol (at 15 percent) because when phenolic maturity arrives the sugars have already climbed to that level. This is Casaccia and yet acidity does the yeoman work to elicit that vineyard's magic and be sure to deliver its pleasure. A wine made exactly as the vineyard demands while that freshness shows strong four years after vintage is the catalyst to drive the point across. Bigger in a way, but all in balance. Drink 2028 – 2037.
