CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2021

Decanter

95/100

The 2021 is a superb edition of Casaccia, which hails from the mineral-rich clay of Canalicchio. It is slightly more floral scented than usual with plum blossom making way for bay leaf, cardamom, coriander and baked earth. It exhibits the roundedness and richness I expect of the vineyard, though it isn't exaggerated; an underlying freshness is ever present. Ample fruit depth effortlessly absorbs the alcohol and push, ripe berries meld with velvety, terracotta-like tannins that cuddle the palate. Time promises to reveal more of its lurking exotic nuances.
