2016 RETASTING

The 2016 Brunello di Montalcino Vigna La Casaccia stands out for its texture and purity, and it is still remarkably youthful. The nose reveals ripe red cherries, salty earth, and floral notes, with impressive clarity and depth without weight. Medium to full-bodied, it has velvety tannins, bright acidity, and a long finish that stays fresh and complete. Drink 2026-2050.
