BRUNELLO DI MONTALCINO

2012

Antonio Galloni
vinous

92+/100

Luminous red. Intense aromas of red cherry, licorice and tar are complicated by a strong note of torrefaction. Deep dense and suave, with youthfully chewy tannins and a slightly herbal nuance to the dark plum and coffee flavors. Still more notes of torrefaction and coffee emerge with aeration. This brooding, strapping Brunello will require patience.
