

CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
2016

TERROIRSENSE WINE REVIEW

96/100

Absolutely smooth and precise as is common with all the wines of Canalicchio di Sopra, I love the purity in this wine, all up front gorgeous fruit aromas and flavours, but there are still elements of complexity that linger long in your memory and taste buds. The vintage was a great one in Montalcino and owner Francesco Ripaccioli made one sensational wine after another.
