BRUNELLO DI MONTALCINO

2018

Robert Parker
WINE ADVOCATE

94/100

The 2018 Brunello di Montalcino is elegant and tight with dried cherry, earthy root, pressed violet and exotic spice. The wine's long mandatory aging period has added to its aromatic intensity and textural weight. You also recognize that special complexity that comes with Sangiovese when grown in this sunny appellation on the southern side of Tuscany. This is a solid wine with 36,237 bottles released.
