TERROIRSENSE WINE REVIEW

92/₁₀₀

Bright medium red with garnet highlights. Aromas and flavours of ripe red cherry, plum, and orange peel are complemented by strong notes of tobacco and earth. Perfumed and luscious on entry, then somewhat broad and diffuse in the middle, with ripe red cherry, plum nectar and redcurrant jelly flavours complicated by a dusting of wild herbs. Very fine tannins leave a suave mouthfeel behind on the long, savoury finish that features repeating strong nuances of sweet pipe tobacco. Drinking window: 2023-2033.
