BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2019

100/100

The 2019 Brunello di Montalcino Vigna La Casaccia is impossible to ignore; it is earthy and mineral, almost smoky and animal in nature. Ashes stones, violets and balsam herbs complicate depths of dried black cherries, sage and clove. This is deeply textural and seductive, balancing ripe red and black fruits with sweet spice and minty herbal tones that create a kaleidoscope of sensation on the palate. A salty flourish shines through the finale, along with a crunchy tinge of blackberry seeds to contrast, as fine-grained tannins wrap the sense with youthful poise and a bitter twang resonates. The 2019 may be immortal. La Casaccia is a showstopper. Drinking window 2026-2040.
