BRUNELLO DI MONTALCINO
VIGNA MONTOSOLI

2019

Antonio Galloni
vinous

97/100

The 2019 Brunello di Montalcino Vigna Montosoli is coy in the glass, youthfully restrained and requires coaxing to reveal its delicate bouquet. With time, a dusty display of dried roses, licorice, cherries, cloves and camphor emanates from the glass. This model of purity is polished, silky and refined with savory spice and mineral-laden red fruits that saturate, all perfectly guided by brisk acidity. It leaves the palate stained in primary concentration, turning inward upon itself. Tart currant and mentholated herb notes add freshness to a web of fine-grained tannins. The 2019 is a breathtaking interpretation of Montosoli fruit. Drinking window 2027-2042.
