CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA LA CASACCIA

2019

Decanter

98/100

Produced since the 2015 vintage, Vigna Casaccia is fashioned from 30-year-old vines of the BBS11 clone. Reaching 315 metres, the plot is characterised by a high percentage of brown, magnesium-rich clay. Surely the most impressive release yet, the 2019 exhibits the cru's intrinsic sumptuous character and girth, along with telltale resinous herb nuances of rosemary, thyme and eucalyptus. yet this year, there is an extra spark. Through that expansiveness, an underlying firmness keeps this from overflowing its limits. Plump fruit marked with a mineral lick and terracotta earthiness is all wrapped up in smooth, velvety tannins, and it carries its 15% alcohol with ease and grace. Drinking Window: 2026 - 2041
