ROSSO DI MONTALCINO
2022

● Antonio Galloni
vinous

91+/100

Remarkably pretty and spicy to the core, the 2022 Rosso di Montalcino blossoms in the glass with a bouquet of rose petals and wild strawberries offset by white pepper. This is lifted and graceful in style with a salty, saline core that grumbles beneath its ripe wild berry fruits. It finishes tense and structured, with a trace of sour cranberry and citrus that tugs at the cheeks. The purity of Sangiovese is on full display here. Have patience with the 2022 because the best is yet to come.
