WINE ADVOCATE

96+/100

There's no doubt that Vigna Montosoli is the hottest vineyard site in the appellation at the moment, and it remains virtually impossible to purchase land in this prized subzone. The Canalicchio di Sopra 2020 Brunello di Montalcino Vigna Montosoli has a distinct character with reinforced concentration and bold black fruit flavors. I get a hint of Turkish coffee and sweet earth. The bouquet also reveals a mineral side with petrichor, iron ore and peat moss. Of the new releases in this portfolio, I think you will find this wine to be the most complete and age-worthy. Sadly, only 4,133 bottles were created. Drink Date 2026 – 2045.
