

CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
2020

Robert Parker
WINE ADVOCATE

93+/100

This is a standout wine that marries red and purple fruit flavors with tangy hints of green curry leaf, rhubarb and sweet earth. The Canalicchio di Sopra 2020 Brunello di Montalcino carries a distinct signature that recalls not only the Sangiovese grape but a sense of place. You can mistake this for nothing but a Brunello. The vintage manages power and aromatic intensity but is also magically leaner and definitely more elegant in terms of mouthfeel. The immediate results are perhaps more accessible and also quite pleasurable now in this 41,362-bottle release. Drink Date 2025 – 2040.
