

CANALICCHIO DI SOPRA®

ROSSO DI MONTALCINO
2022

JEB DUNNUCK

93_{/100}

A bright ruby color, the 2022 Rosso Di Montalcino is refined and pretty on the nose, with a rosy perfume of fresh raspberries, dark wet stones, and fresh herbs slowly revealing itself. Medium-bodied, it is bright and linear with fine tannins and is going to need some time to flesh out. I have tasted several older vintages of this wine recently and found that they really start to show their best after a couple of years of extra time in the bottle. Drink 2025-2035.
