BRUNELLO DI MONTALCINO
2020

JEB DUNNUCK

95_{/100}

Pouring a jeweled red/ruby color, the 2020 Brunello Di Montalcino is attractive and layered on the nose, with pure notes of red cherries, sweet Mediterranean herbs, crushed roses, and mossy earth. Medium-bodied, it brings lovely energy to the palate and is upfront with mouthwatering salty notes, snappy ripe acidity, and a clean, balanced finish, with even ripeness and stone-fruited notes of apricot on the back palate. This highly appealing Brunello is hard to resist now but likely has the ability to go the long haul over the coming 15-20 years. Maturity 2025 – 2045.
