CANALICCHIO DI SOPRA®

BRUNELLO DI MONTALCINO
VIGNA MONTOSOLI

2021

Robert Parker
WINE ADVOCATE

97/100

Marked by exceptional mineral clarity, the Canalicchio di Sopra 2021 Brunello di Montalcino Vigna Montosoli stands out for its saline, almost salty character that brings brilliance and focus to the fruit. The friable, schistic galestro soils of Montosoli lend the wine its signature intensity and brightness, resulting in a deeply expressive and beautifully articulated palate that shines in this vintage. Fermentation takes place in stainless steel, followed by 36 months of aging in large Slavonian oak casks. Production totals 4,133 bottles plus larger formats. Drink 2027 – 2048.
