2021 RETASTING

Marked by the estate's April frost, which reduced yields and helped bring extra focus to the vintage, the 2021 Rosso di Montalcino is one of the most complete Rossos I have tasted from Montalcino. The nose is bright and energetic with ripe red cherries, red berries, floral perfume, and sweet citrus. Medium-bodied, it has terrific drive and clarity on the palate, with ripe tannins, vibrant acidity, and a vertical, mouthwatering finish. Drink 2026-2040.
